What is the Statewide Tax Clinic?

The Statewide Low Income Taxpayer Clinic provides advice and representation to low income clients who have a tax controversy with the IRS and related cases with the Oregon Department of Revenue.

How do attorneys work with the Statewide Tax Clinic?

Pro bono tax cases are referred through a listserv. Cases cover a range of state and federal personal income tax issues including collections, examinations (audits), innocent spouse claims, and tax court cases. Volunteer opportunities are also available for recent graduates and new members of the Oregon State Bar.
